

120V LED STRIP

Model: NP2835N.ZC06050CAFT

Features

- Work Lighting
- Plug and play, no need power supply
- Cost saving, low-maintenance
- Flexible, easy to bend
- Home lighting and corner lighting
- Building exterior contour accentuation
- Excellent in colour consistency and efficiency
- Long lifespan and extreme brightness
- Decorative applications

Technical Parameter

Voltage	120V
SMD	2835
LEDs/m	60
Power/m	6W±10%
Lumen/m	510 LM/m±10%
Light efficiency	>85LM/w
RA	>80
Color	27/30/40/50/6000K
Dimension	W11.5 x H6.5mm
Length	50M/reel
IP rating	IP65/20 (IP65 led strip with IP20 plug)
Connector	2-pin needle + glue
Lifespan	35,000Hrs
Working temperatu	-25℃ ~ +50℃
Package including ^{re}	1x50M led strip with 1.6M H05RN-F FR power cord + 1pc user manual + carton box + labels
Certificate	CE-EMC, LVD, RoHS, ERP, CB, FCC (TUV lab)
Warranty	3 years
